

## Is the Wine Vegan?

# ALL THE WINES OF CANTINA SOAVE ARE STRICTLY VEGAN!

THE PRODUCTION OF VEGAN WINES EXCLUDES THE USE OF:

CASEINA

### CASEIN

a clarifier used in the stabilization of white wines and present in caseinic glues

GELATINA

### GELATINE

clarifying and detanninizing

COLLA DI PESCE

### FISH GLUE

used in the clarification

ALBUMINA

### ALBUMIN

flocculant (additive used in the filtration, e.g. for red wines)

CANTINA DI SOAVE

VEGAN WINE IS THE RESULT OF PRODUCTION CHOICES  
THAT EXCLUDE THE USE OF ANY SUBSTANCE DERIVED FROM ANIMALS.

YOU CAN FIND THE VEGAN LOGO ON THE BACK LABEL OF ALL OUR WINES.

*for a conscious consumption.*
